

Children's Health Council

Annual Report

2021-2022

Imagine a World Where No Young Person Is Ever Without Needed Services

CHC aims to bring equitable access to mental health and learning support along with specialized training and education to strengthen the mental health professional and educational specialist workforce. This is how CHC leads a path to success for young people — at home, at school and in life.

CHC provides mental health professionals who are multilingual and who come directly from the communities. They provide these services literally where the youth and their families are.

Lisa Van Dusen

Executive Director of Palo Alto
Community Fund

Our Mission

To transform young lives by providing culturally responsive best-in-class services for learning differences and mental health to families from diverse backgrounds regardless of language location or ability to pay.

From the moment I contacted CHC and in every interaction since, I felt the genuine care, concern, and dedication of each and every person associated with your organization.

— CHC Parent Client

A Message from Our CEO

When the US Surgeon General Vivek H. Murthy issued an advisory on the dire state of youth mental health, he also delivered a forthright message, "The future wellbeing of our country depends on how we support and invest in the next generation." This is the reason why I am deeply proud and honored to be leading CHC at this moment in history. After years of serving children and families, I have seen the difference dedicated individuals can have on both a young person's life, as well as the enrichment of a community. Every day at CHC, hundreds of clinicians, teachers and staff work to better the future for each of our young clients. This collective commitment brings me hope and excitement that we can make a lasting impact and ensure that no family goes without the care they need.

This past fiscal year is a clear indication that with the support of our community we can accomplish so much. Our numbers of families served through our schools, clinics and community programming rose to over 15,000. Our financial assistance and student scholarships reached \$1.5M, delivering on our promise to equity and access to care.

2021-2022 was truly a year of major milestones, underscoring our sustained commitment to excellence. We celebrated ten years at CHC's Sand Hill School, serving students with learning differences, preparing them for greater opportunity and success beyond our doors. Our RISE Intensive Outpatient program turned five, serving our local community so that teens can find greater hope and wellness. In the fall, we ushered in the inaugural year of CHC's Schwab Learning Center, serving young adults with learning differences at Stanford and around our community. And, in the summer, CHC's leadership and board chose to honor our longtime board member, Catherine Harvey, by naming the clinical services department, the Catherine T. Harvey Center for Clinical Services.

As we approach the celebration of CHC's 70th anniversary year in mid-2023, we remain a beacon of hope for the families we serve. Our community desperately needs the programs we offer at CHC, and our ability to respond to this demand is only possible through the generosity of individuals like you.

Thank you for your support and trust in CHC. I look forward to meeting this dramatic need together with you as we build a better future for our community and for our next generation.

With appreciation,

Dr. Ryan C. Eisenberg
CEO of Children's Health Council

In Honor of Rosalie Whitlock, Former CEO of CHC

In August of 2022, Dr. Rosalie Whitlock completed her exceptional 13-year tenure as CHC's CEO. The organization flourished under her leadership, leaving a legacy that will have a lasting impact on so many families, clinicians, and allied providers and organizations across the Bay Area. In a heartfelt tribute, CHC former board chairs who have worked closely with Rosalie have expressed their gratitude for her years of dedication and commitment.

Rosalie led CHC through a transformative era of re-evaluation, innovation and growth, expanding the agency's ability to serve the evolving needs of the Peninsula community. Congratulations, Rosalie, on your successful leadership, and thank you for all that you have done to set CHC on a wonderful course going forward!

Ross Jaffe

Ambassador and Former Board Chair

Elaine Hahn
Former Board Chair

Rosalie Whitlock is a great leader and a true community gem. She challenged us to find ways to ensure that CHC services are available to everyone, regardless of ability to pay, language or location. Every child deserves the chance to succeed, and she helped us all work joyfully toward that vision. Thank you, Rosalie, for all that you have done for so many students and families!

Rosalie's leadership **launched CHC from being an important player addressing mental health to becoming a major force** that transformed the way we address these critical needs!

Andrew P. Valentine
Ambassador and Former Board Chair

Bren Leisure
Ambassador and Former Board Chair

It wasn't easy to convince Rosalie to take the helm at CHC, but we knew when she said yes that the agency's future was bright. Children all over the Bay Area would no longer fall between the cracks but find their promise and potential. Her experience was incomparable and her vision magical!

Rosalie led CHC with quiet confidence. She set high standards for excellence, always putting the needs of children and families first. Thank you Rosalie for your inspired leadership.

Beckie Robertson
Former Board Chair

Julie Terrell Hooper
Board Chair

CHC grew because Rosalie knew the community needed more of CHC. Now, CHC reaches broadly into our diverse community as a trusted and excellent source of mental health and learning services.

Together We Raised \$70M for CHC's 70th Anniversary

In advent of CHC's 70th anniversary year (July 2023 – June 2024), the agency's board of directors and close supporters joined together in a quiet fundraising campaign to celebrate CHC and ensure its long-term sustainability. Many contributors also made endearing gifts to pay tribute to our former CEO, Dr. Rosalie Whitlock. What resulted was an investment to ensure the future of CHC. Each participant in this extraordinary effort played a key role in achieving \$70M for the growth and sustainability of CHC.

Our Goals

Promise.

EXPAND OUR REACH

\$25M

To expand programming and deliver on the **Promise** that no young person is ever without needed CHC services

Potential.

SUSTAIN THE EFFORT

\$45M

To ensure the **Potential** and sustainable future of CHC through the Endowment.

CHC and all of the families we serve are **eternally grateful** for your unwavering support and generosity.

For almost 70 years, CHC has been here for our youth and their families by providing best-in-class mental health and learning difference services.

This campaign is critical to CHC's continued commitment to supporting the growing needs of our community. It has been our privilege and honor to co-chair this endeavor, and to ensure that CHC is sustainable and innovative for the next seven decades and beyond.

A Year of Milestones

Schwab Learning Center Opening

In September 2021, CHC opened the new Schwab Learning Center (SLC) to expand accessible evaluation, learning and mentoring services to high school and college students with ADHD and learning differences. In its first year, SLC demonstrated inspiring results with more than 500 registered clients. Among those served, 74% were financial aid recipients from their colleges and 37% were first-generation college students.

RISE Intensive Outpatient Program 5th Anniversary

Five years ago, the RISE Intensive Outpatient Program (IOP) began with six staff members. Today, the staffing has more than doubled with a team of 17. Since its inception, the program has impacted 171 teens with 71% of clients completing all 12-weeks of the program.

"I entered IOP exactly a month after I was released from a two-week hospital stay, and graduated about three and a half months later. I suffered from depression, anxiety, and suicidal ideation/attempts. I look back at my experience in IOP now, and the progress I made to not only live, but to thrive as well. Ultimately, CHC's IOP gave me the tools to live a life worth living." —RISE IOP Alumnus

Sand Hill School 10th Anniversary

"My dream was to create a school where the teachers and clinical staff would work in sync to meet the needs of these unique and talented learners and where parents could find all of the resources they needed under one roof." —Dr. Rosalie Whitlock, Former CEO of CHC

CHC's Sand Hill School (SHS), a school for kids with language-based learning differences, opened its doors to seven bright young students in February 2011. Now serving approximately 80 students in grades 2-8 each year, SHS celebrated its 10th anniversary in May 2022. Thanks to generous CHC supporters, 50% of SHS students receive financial assistance—delivering on the agency's commitment to equity and access.

Naming of the Catherine T. Harvey Center for Clinical Services

After years of providing comprehensive and integrated services for children, teens and young adults, CHC clinical services celebrated its new division name: The Catherine T. Harvey Center for Clinical Services, in honor of longtime board member Catherine Harvey. An advocate for learning differences and mental health, Harvey's fervent compassion for struggling adolescents in our community and deep desire to prevent youth suicide helped launch CHC's Teen Mental Health Initiative in 2016.

"Catherine embodies everything that CHC's Clinical Services division represents. Her service to CHC as a deeply committed Board member, strategic advisor and philanthropist has been transformative for our agency." —Ramsey Khasho, PsyD, Chief Clinical Officer

CHC in Numbers

Each year, CHC strives to provide the highest quality care, expand its reach to families, and offer financial assistance so that cost is not a barrier.

“

We can finally breathe easy knowing **our son is among people who understand him, who can help him, and who genuinely care about him.**

— CHC Parent

“

I truly wish I had known about CHC's parent support services years ago because even in just a few months **I have received the guidance I desperately needed.** I hope more parents learn about and take advantage of this incredibly valuable resource.

— CHC Parent

“

CHC has made a world of difference for my family. The telehealth has made accessing services for my kids so smooth and convenient. From my oldest child to my youngest child, the support from their therapists have helped my children get through and thrive.

— CHC Parent

Board, Ambassadors & Executive Leadership

Julie Terrell Hooper, MSW
CHC Board Chair

I began as CHC Board Member nine years ago, and last year I served as Board Chair. **It has been an honor to witness CHC triple in size, grow its inclusive and best-in-class educational and mental health services,** as well as expand its generous financial support for all families. Working with this talented team of fellow members, leadership, and community members gives me hope that we can bring a brighter future to so many for years to come.

Side-by-Side With You

Thank you to our 2021-2022 supporters. This list represents cumulative gifts of \$100 and above received for the CHC annual fund and special events from July 1, 2021 through June 30, 2022.

We have been proud to donate to CHC over the years. The inspiring team at CHC constantly adapts and evolves to help people during a stressful and difficult time in their lives – dealing with mental health needs and learning differences. We appreciate that CHC strives to be a resource to the entire community, with sliding fees, a bilingual team, and staff dedicated to the Ravenswood community.

Foundation & Corporate Sponsors

Our philanthropic partners are a reminder that we are truly stronger together. We are grateful to our foundation, corporate and sponsorship partners who ensured that all families were able to access learning and mental health services in 2021-2022. This list includes grants and sponsorships between July 1, 2021 through June 30, 2022.

PARTNER WITH CHC

CHC has definitely had an impact on the Sand Hill Foundation. In many ways it has been a model grantee in terms of the work performed and communicating the results with us. They value partnership which has deepened our relationship over the years. Plus, they are leaders in a field we really care about, so we respect their perspective and professionalism.

Clark Legacy Circle

The Clark Legacy Circle honors and recognizes the philanthropic leadership and vision of individuals who have created a planned giving strategy to benefit and sustain the future of Children's Health Council for generations to come.

If you are interested in learning more or have already included CHC in your estate plans, contact CHC Advancement at [650-617-3825](tel:650-617-3825) or advancement@chconline.org.

“

I was on CHC's board for 9 years and have been an Auxiliary member since the 1960's. I knew that I would plan for CHC in my estate because it was the organization I had worked with the longest. As a result, CHC is now a beneficiary of a percentage of my IRA. It's one of the easiest ways to make a legacy gift.
