

Social Skills Parent Coaching 4-Session Package

to schedule: 650.688.3625
or careteam@chconline.org

Does your child have difficulty playing with other kids? How about making or keeping friends? Our 4-session Social Skills Parent Coaching Package can help you learn strategies to **support your child's social development.**

The content of these sessions is completely tailored to your child's needs. Work with our seasoned Speech-Language Pathologists to:

- Learn how to facilitate effective playdates for your child
- Support your child in practicing social skills out in the community
- Make adjustments as you go based on feedback from your therapist

We can help you foster healthy social skills and **bring the joy back** to your child's playdates, group classes and activities!
